The Library Center

# March of Technology Expo

2009 Theme:

## “Technology Making a Difference”

Keynote Address:

### Convoy of Hope

is a charitable organization based in Springfield, reaching out to help people in need. They feed 18 million children each day, and respond to disasters worldwide.

They teach people how to build a simple, low-tech “BioSand” filtration system, providing their families’ with clean, safe drinking water.

### What does charity have to do with technology and making a difference?

Come experience Convoy of Hope’s story. Tour their “Mobile Command Center” to learn how they use computers, the Internet, cell phones and satellite communications to coordinate world class logistics!

That’s “Technology Making a Difference!”

Featured Presentations:

### Beth Young, MOREnet

will return this year to help us better understand how to protect ourselves and our computers with practical information about security.

**Dr. Charles Ess, Drury University** will speak about ethics issues related to cell phones and privacy.

### Teletech

As of this writing, plans were not finalized for me to pass on details.

## Exhibits

Convoy of Hope's "Mobile Command Center" will be in the parking lot and will offer tours to visitors.

We will again have a Game Room for visitors to observe and/or try out some of the hottest games of all time.

Other exhibits will be much as in the past, however ICON's will be right outside of Meeting Room B with PC Help Desks, refreshments, and visiting inside.

- ★ Setup is a big job, and we could use some help with that effort on Friday afternoon. If you can help out, please contact me as below.
- ★ If you are willing and able to volunteer for all or part of the day, please contact me by e-mail to let me know during what hours you can be available.
